

Jukka Väinölä

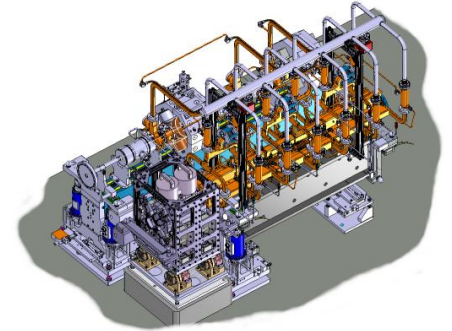

Background:

MSc., mechanical engineering from Helsinki University of Technology (Aalto University)

Previously researcher at Techincal Research Centre of Finland

Working for:

Helsinki Institute of Physics/University of Helsinki
at CERN since 2011

Daily work at CERN: CLIC module design and development

WHAT AM I SUPPOSED TO DO HERE AT CAS:

- Local support and organiser
- Assisting where ever needed, knowing everything?
- Representing Finnish men?
