

Werner Herr

Studied Physics at University Heidelberg, PhD in particle physics

Arrived at CERN 1978

Since 1986 Accelerator physics (SPS,LEP,LHC)

Despite some obstacles, teaching at CAS since 2001

2011 - 2018 Deputy head of CAS

- Main activities:
 - x Non-Linear Dynamics
 - x Multi-particle effects
 - x Beam-Beam effects
 - x Sports and outdoor →
(Badminton, Yoga, ...)
