

# Curriculum Vitae Prof. Dr. Wolfgang Hillert

1981 – 1987 **Diploma Study of Physics at Bonn University**

## Atmospheric Physics:

1987 – 1992 **PhD Study of Physics at Bonn University**

*Measurement of atmospheric turbulence with sounding rockets*

## Accelerator R&D:

1992 – 2001 **Research Associate and Scientific Assistant at ELSA:**

*GaAs Photoinjector; Pol. Beams, Compton Polarimeter, Beam Instrumentation*

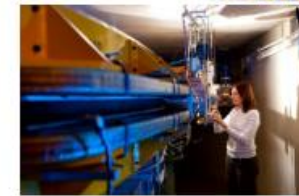

2001 **Habilitation in Physics**

2002 – 2016 **Technical Director ELSA, Associate Professor**

*Teaching, accelerator operation and R&D, ...*

2016 – ... **Professor in Exp. Physics at Hamburg University**

*Teaching, seeding of FELs, srf, ultrashort pulses, ...*

## Other “Activities“:

1978 – 1980 **Church Music Director: C-Exam (organ, conductor)**

1982 – 1987 **Fellow of the German Merit Foundation**

1984 – 2016 **Choirs: DFC, Vox Bona (CD recordings, prizes)**

1988 – 1991 **Lectures and training sailing education**

2009 – ... **Foundation, chair and member of Committee for Acc. Phys.**

2014 – ... **Foundation, chair and member of DPG Acc. Working Group**

*... physics (accelerator R&D, teaching, schools, public talks), committees, music (choir, piano, organ), sports (climbing, skiing, jogging, biking) ...*
