

# *About Me*

*I am Arjun Radhakrishnan from Kerala, India*

Physics Graduate from Central University of Tamil Nadu, India

Carried out an internship at **RRCAT, Indore** on beam simulation studies

**CAS** is my first international experience

I consider myself more of an artist than a scientist

I love to write. My first book is available on the Amazon store

I am a musician too. Our band's first single is coming out in YouTube soon.
