

Mathieu Saccani

Digital Design Engineer

ACADEMIC

- **Master of Science by Research**
 - Electronics
 - Digital Communication
 - Fast Computing

PAST CAREER

- **RadHard Space Electronics**
Satellite Computers & RadioCom System
- **Safety Critical FPGA Design**
On-Board Computers – FR/UK team

CERN

- **Digital Designer for Beam Loss Monitor**
 - Machine Protection System
 - Update of the LHC-BLM : processing board & acquisition board
 - Update of the Injectors-BLM processing

HOBBIES

- **Outdoor activities:**
running, climbing, golf
- **Raspberry-Pi & Arduino**
