CERN School on Advanced Accelerator Physics
Slangerup, Denmark, June 2019.

GENERAL INFO

Venue
The school venue is in Metalskolen, Jørlund, Slangerup, about 35 km from central Copenhagen. Visit https://metalskolen.dk/ (in Danish) for details of the venue. All accommodation, courses, meals etc. will be confined to this venue. Further facilities include an indoor swimming pool, an exercise room, billiard/pool tables, rooms for social gatherings, a tennis court, a park for walks and jogging, boating on the lake and bicycles to lend.

Travel to and from the school
We expect most participants to arrive at Copenhagen Airport (CPH) on Sunday, June 9th and depart Friday, June 21st. Buses will be arranged between Metalskolen and the airport on these days.

Anybody not arriving or departing on these dates will have to make his or her own travel arrangements to Metalskolen. We would suggest taking the train with change at Copenhagen Central station or Nørreport station to Ølstykke and a taxi from there – see more below.

Entry Formalities
Denmark is member of the European Union and the Schengen agreement. Citizens of the European Union countries and many other countries do not require visa to enter. For a list of entry requirements for other nationalities and information on how to apply for a visa, please refer to this page:

Tourist Information

Copenhagen is the capital of Denmark with a history dating back about 1000 years. The city offers touristic sights and events for any taste. Visit http://www.visitcopenhagen.com or http://www.visitdenmark.com or to find something of your interest.

Other cities not too far from Metalskolen include Roskilde and Hillerød, both with interesting sites.

Metalskolen is situated in a nature area with forests and lakes. It is well suited for walking, jogging, biking or boating.

Local travel

Public transport with buses, trains and metro all use the same ticket based on a zone system. You can freely transfer from one mode of transport to another, as long as you are within the zones of your ticket’s validity.

For tickets and zones, see http://www.dinoffentligetransport.dk/english/ and https://www.rejseplanen.dk/webapp/index.html?language=en_EN. One-way tickets can be bought from the bus driver (cash only) or in automat at train stations, specifying the number of zones. You can also buy SMS tickets or using the app ‘DOT Mobilbiletter’.

Metalskolen is in zone 84, central Copenhagen is in zone 1. A ticket valid for 8 zones is required and costs 84 kr one-way. The closest bus stop (line 158) is about 900m walk from Metalskolen, bringing you to Kiledal station with service (line C) to central Copenhagen. The journey time is
about 1h15min with frequency of one per hour up to 19h and one per 2 hours later – so plan ahead, also for the return trip.

**Taxi** to or from the train station nearest to Metalskolen (Ølstykke) costs around 250 kr and the train ticket between Ølstykke and Copenhagen is also an 8-zone ticket. To order a taxi, call Dantaxi 48484848 or use the app Dantaxi4x48. This may be the best option for late returns from Copenhagen. Taxi from central Copenhagen costs 800-900 kr.
