

The CERN Accelerator School and  
Royal Holloway University of London  
are organizing a course on

# Advanced Accelerator Physics

3 to 15 September, 2017

Royal Holloway University, Egham, London, United Kingdom

The course will be of interest to physicists and engineers who wish to extend their knowledge of Accelerator Physics. The program offers core lectures on accelerator physics in the mornings and a practical course with hands-on tuition in the afternoons. Participants will select one afternoon course from the three available.
