

Jacopo Corno

Graduate School of Computational Engineering and Institut für Theorie Elektromagnetischer Felder,
Technische Universität Darmstadt, Darmstadt, Germany

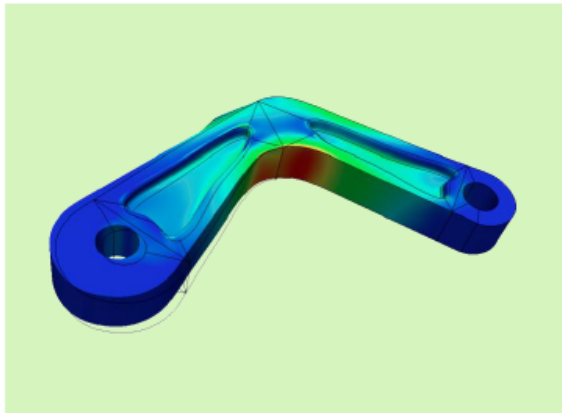

TECHNISCHE
UNIVERSITÄT
DARMSTADT

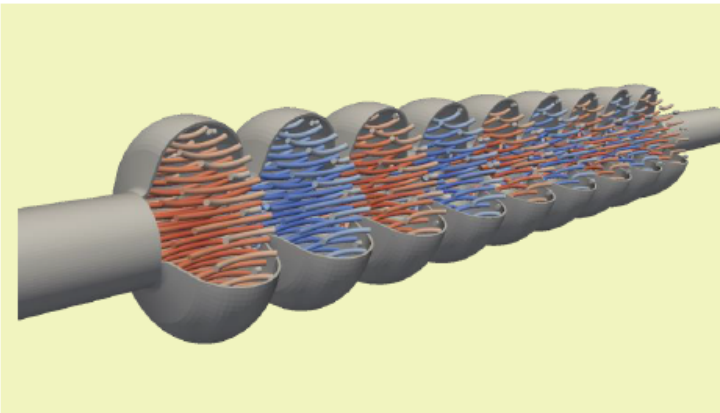

- ◆ **MSc in Mathematical Engineering** at *Politecnico di Milano*
- ◆ Currently **PhD student** at *TU Darmstadt*

Main Scientific Interests:

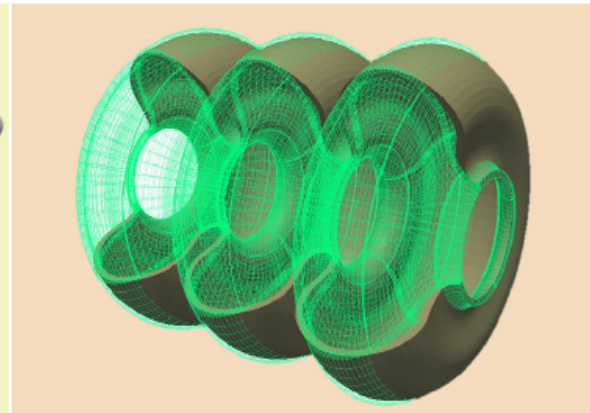

Isogeometric Analysis

Computational Electromagnetics

Uncertainty Quantification

Poster Session:

Isogeometric Simulation of Lorentz Detuning in Superconducting Accelerator Cavities
