

# Yuliya Maltseva

Junior researcher at Budker Institute of Nuclear Physics,  
Novosibirsk, Russia

B.S., M.S. in Physics, Ph.D. is expected

Field of interests:

- Optical fiber Beam Loss Diagnostics
- Particle interactions with matter
- Particle beam diagnostics and measurements

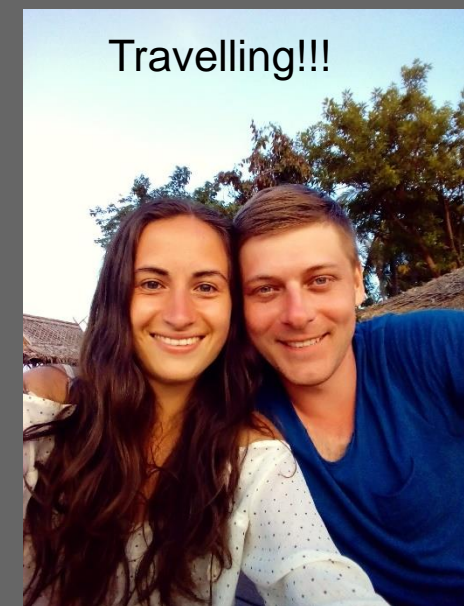

My spare time:

Belly dance

Travelling!!!

Sewing, enjoy making things by hand such as souvenirs, bracelets, etc.

Learn foreign languages
