

The CERN Accelerator School (CAS) and Norwegian University of Science and Technology (NTNU) are organizing a course on

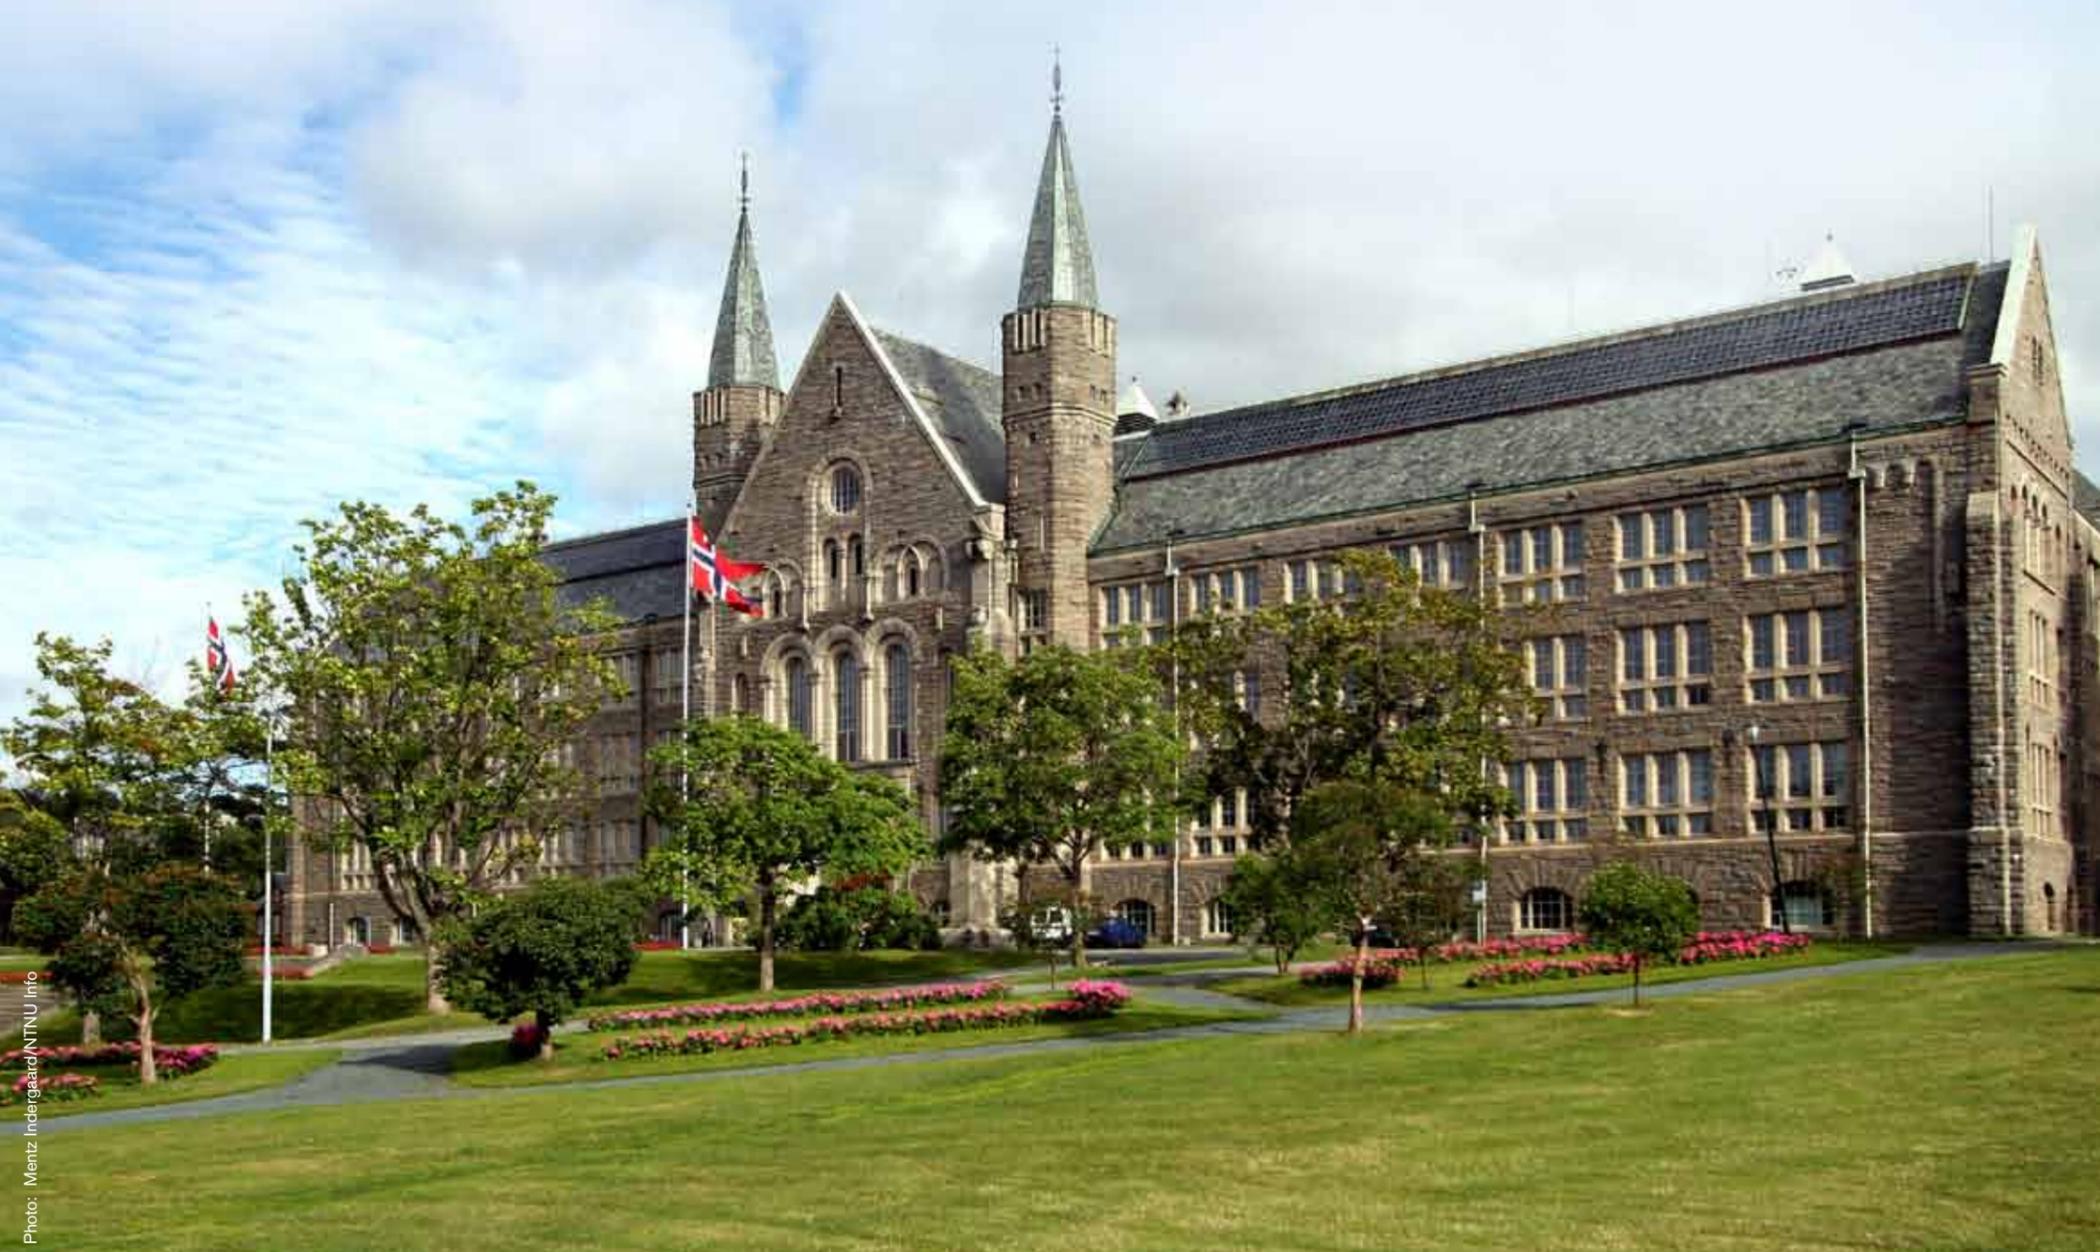

# Advanced Accelerator Physics

18 – 29 August, 2013

Trondheim, Norway

The course will be of interest to physicists and engineers who wish to extend their knowledge of Accelerator Physics. The program offers core lectures on accelerator physics in the mornings and course

work on dedicated specialized topics in the afternoons. Participants will select one afternoon course from the three available. Seminars and tutorials will complete the program.
